Missions 2019 Update

KONA

APRIL 7 - 18

This will be our fifth year that a group of Anchor Academy students will travel to Kona to help out at the YWAM ships base. Our team consists of 9 students and 3 chaperones.

We leave April 7 and return April 18. The mission trip includes the course "Discipleship 11" (worth 4 high school credits) where we grow together as a team, learn about being a disciple of Christ, and learn about making disciples for Him before we put our faith in action on the trip.

We will be joining the YWAM community in classes, prayer, and worship. We hope to be a blessing to the people on the base (last year, we painted their prayer room). We are also hoping to reach out to the local people of Kona through evangelism, prayer walks, feeding programs, children's ministry, and wherever else the Lord may lead.

Please pray for both the Kenya and Kona teams that they would learn more about who God is and share His love with the people they come in contact with.

KENYA

MARCH 31 - APRIL 17

The team will be primarily going to Bungoma, Kitale and Kusumu (Kendu Bay) to:

- Hold youth rallies;
- Visit the orphans; and
- Train and encourage the pastors.

Renewing the Passion

By Dr. Waldie Neufeld

As we continue to look back over PRBI's 85 years, another major milestone occurred during the 1960s. Walter McNaughton and Aaron Goertz had been out scouring the country for students and the grand total for that year (1965/66) was thirteen, which prompted the dreaded talk of closure. Though Facebook was not around, the word leaked out into the byways and highways and two young alumni stepped into the moment, Oswald Throness and Bob Balisky, and they encouraged a third to join them, Wilf Johnson, who was home on furlough from India. All three were intent on bringing life back into a lagging institution. An institution is but a vehicle to carry out the desires of a community of people, so its usefulness depends on its people.¹ In PRBI's case, the renewal came through these young alumni, which should not be missed. They accomplished things that were considered impossible without the power of the Spirit. Neither should their wives be forgotten, Ruth, Ruth, and May, who worked right alongside them accomplishing the purposes of the School.

Though many of our buildings were the obvious result of this renewal and the most easily seen, the people behind the scenes, the alumni, the Board, and the staff were the most crucial. The Board's thrust to build was vital to our history, or PRBI would be gathering dust in the archives. PRBI has always been people driven. Over the years around 125 men and women have served on the Board,

over 500 have served as staff and faculty, and well over 5000 students have come and gone through the hallowed halls.

Sixty years have come and gone since these three young alumni stepped into the fray, but that same need still exists. PRBI has young people to train, Christian workers to send into communities and around the world, and present workshops.

I see the millennials stepping into the gap and I am excited about the future of PRBI. I (we) am very

thankful for those who invest in students' lives year in and year out. Thank you! We are seeing a new breed of students stepping up to the plate. If you are interested in attending PRBI, give Nolan Dyck a call here at PRBI (cell # 780-882-4251). May we all capture a vision for standing with or behind the upcoming movers and shakers of PRBI! The challenge is just as great and the opportunities just as many. "Ask the Lord of the harvest, therefore, to send out workers into his harvest field." (Mt 9:38).
